

Problem Waste Recycling Stations

For household batteries, mobile phones, printer cartridges and light globes.

The City of Ryde provides specialised drop off recycling stations for some common household items such as household batteries, mobile phones, printer cartridges and light globes. Placing problem waste items in kerbside bins contributes to contamination of landfill sites and may have harmful effects to human health and the environment. Specially marked Problem Waste Recycling Stations are located in the following locations:

- City of Ryde Operations Centre: 1 Constitution Road, Meadowbank
- City of Ryde Customer Service: 1 Pope St, Top Ryde (in foyer outside Customer Service)
- West Ryde Library: 2 Graf Avenue, West Ryde
- Tzu Chi Australia: 20 – 22 Glen St, Eastwood
- Eden Gardens, 307 Lane Cove Rd, Macquarie Park (near reception).
- Macquarie University: Muse Student Connect C7A building, Level 2
